

Introducing Parallax Center's New DUI Assessment and Treatment Track

At Parallax Center, we understand that facing a DUI charge can be a daunting experience, but it can also be a turning point towards a healthier and more fulfilling life. That's why we're thrilled to introduce our latest offering: An OASAS-certified DUI Assessment Service.

Here's what our DUI Assessment Service entails:

Comprehensive Evaluation:

Our skilled professionals conduct a thorough assessment tailored to your unique circumstances. We delve into your substance use history, driving behaviors, and any underlying factors contributing to your situation, ensuring a personalized approach to your recovery journey.

DUI Curriculum with Expert Facilitator:

Well thought out curriculum to empower and encourage your participation in the groups, facilitated by master level clinician.

Legal Support:

Navigating the legal ramifications of a DUI charge can be overwhelming. We provide guidance and insights into the assessment and legal process, empowering you to make informed decisions.

Tailored Referrals and Customized Treatment Planning:

We collaborate with you and our community partners to develop a tailored treatment plan that aligns with your recovery goals. Whether you need a DUI class, outpatient counseling, or other support services, our team is committed to helping you access the right care.

Ongoing Assistance:

Your recovery journey doesn't have to end after the assessment. We offer continuing peer and clinical services that support, guide and encourage you on your path to healing and renewal. Visit our website to explore the diverse and flexible programs offered at Parallax Center.

Don't let a DUI charge overshadow your potential for a brighter future or your professional aspirations. Take the first step towards transformation with Parallax Center's DUI Assessment Service.

Contact us today to schedule your confidential consultation and embark on a journey towards hope and healing. We promise that you will be assessed within 24 hours of your call during the week.
